

ONE NIGHT IN BANGKOK

Highlights:

- Enjoy sunset cocktails while admiring the
- Vista over the cardinal portion of the metropolis
- Go through the local street food
- Shop for souvenirs down by the Chao Phraya River

The stuff of legend, both songs and films have been dedicated to a night spent in Bangkok. A city of infinite possibility, on this night tour we will guide you through a few of her highlights. Start your evening at the super-chic, Long Table, Bar where you will enjoy sunset cocktails alongside views over the cardinal portion of the metropolis. From here, we will go along to one of the city's best keep the culinary secrets – a local street food restaurant where the smells, sights and taste of the city abound. To cap the day away to catch the BTS sky train to the Chao Phraya River before boarding a boat to the latest nightly market, “Asiatique”. Here you can relish the shopping and watch local entertainment amid river views.
